

## RECOMMENDATIONS FOR USE

Corn (field corn, sweetcorn, popcorn, silage corn): Apply after emergence as a tank mix with herbicide or fungicide application. For best results, apply between **V4-V6** or **VT-R3** growth stages.

SOURCE Corn may be applied as a tank mix with other agricultural chemicals, such as herbicides and fungicides, by following the application instructions.

## APPLICATION INSTRUCTIONS

**Vigorously shake SOURCE before use.** Use application parameters (nozzles, swath width, pressure, boom height, speed, etc.) to ensure thorough coverage of the target area. Partially fill application tank with water or tank mix product. Vigorously shake SOURCE Corn container and add to tank with constant mixing. SOURCE Corn may be applied with other foliar applied products; conduct a jar test before mixing to determine compatibility. SOURCE Corn is compatible with standard spray application methods. For a ground rig, **apply 0.7 fl oz per acre** in a minimum 10 gallons of water. See website ([www.sound.ag](http://www.sound.ag)) or Sound representative for more information.

## STORAGE AND DISPOSAL

Store in a cool, dry area out of reach of children and animals, as well as out of direct sunlight during storage for extended amounts of time. Store in original container. Keep container tightly sealed when not in use. Store at temperatures above 40°F. Do not reuse empty container. Dispose of according to state and federal guidelines.

# SOURCE<sup>®</sup>

## Corn

SOURCE<sup>®</sup> Corn improves the soil environment to support plant growth by stimulating the native microbiome. Read and follow all label directions before using this product. SOURCE Corn can be applied as a foliar spray and is compatible with a wide range of herbicides and fungicides.

## GUARANTEED ANALYSIS

### CONTAINS NON PLANT FOOD INGREDIENT(S):

ACTIVE INGREDIENT

20.5% MALTOL LACTONE

79.5% OTHER INGREDIENTS

TRIGLYCERIDE VEGETABLE OIL, SORBITOL ESTER  
ETHOXYLATE, POLYVINYL PYRROLIDONE POLYMER,  
FUMED SILICA, BUTYLATED HYDROXYTOLUENE

**Net Content: 32 oz (946 mL)**

**Net Weight: 2.11 lbs (0.958 kg)**

**Density: 8.45 lbs/gal at 68 degrees F**

## USE PRECAUTIONS

Wear eye protection and impermeable gloves when handling. If applying with a backpack sprayer, use NIOSH approved respirator APF50 or APF1000. Do not eat, drink, or smoke when using this product. Refer to the Safety Data Sheet for additional details.

**In the event of a medical or transportation emergency call:  
1-800-535-5053**

## KEEP OUT OF REACH OF CHILDREN.

Based on an assessment that includes analogue data EPA under the Toxic Substances Control Act (TSCA) has identified the following concerns: Human Health Hazards - Specific Target Organ Toxicity, Reproductive Toxicity, Skin Irritation, Eye Irritation. Environmental Hazards - Toxic to Aquatic Life.
